

Erasmus+ Programme - Strategic Partnership between schools

The Virtual Universe We Want

OPTIONAL COURSE "THE VIRTUAL UNIVERSE WE WANT"

INTERNET SAFETY PLAN

Grade Level: 9th Grade

Duration: 40 minutes

Description: This plan is designed to help students who are using the Internet to identify and avoid situations that could threaten their safety.

Goals:

- 1.To increase student knowledge of Internet safety
- 2.To aid the student in identifying dangers on the Internet
- 3.To build critical-thinking and decision-making skills relating to computer usage
- 4.To help students protect themselves from inappropriate behavior online

Content Outline: (15 minutes)

The teacher gives some useful tips how to be safe on the net.

A.Tell a parent or adult if someone you don't know, a stranger, tries to talk to you online. Tell students everyone's face is hidden on the net

C. Tell them any stranger can pretend to be a friend and you have no way of knowing who they are because they are behind the mask of the computer

D. Appropriate Websites

Approved by parents, guardians or teachers

E. Appropriate Email and Messages

Do not open email from strangers

Do not open email with attachments

F. Appropriate Information to Give Out

Do Not Give Out Personal Information

**Name/ Where you live – city or address/ Telephone Number/ Birthdate/ Height/ /Weight Photo/
Parent's name/ Information you can give out/ Likes and dislikes**

F. Meeting People on the Internet

Never arrange a face-to-face meeting with someone you met online

Objectives:

By the end of this training, students will be able to

1. Identify five types of personal information

2. Identify types of online "Stranger Danger"

3. Identify appropriate people for communication

4. Identify how to protect themselves from inappropriate Internet behavior

At the end of the lesson the teacher asks students to write some internet safety rules on papers (: 10 minutes)

The teacher asks students to create an erasmus corner in the class: (15 minutes)
