POLAND

Protect themselves from viruses, do not let your computer sick

A computer virus transmitted through files such as e-mails or messages

| AVG Free 2013 | Avira Free 2013 | avast! 7 | Panda Cloud 2.0.1 | Ad-Aware Free 10 | MSE |

The bestfreeantivirus

check if you have them on your computer

Stop violence on the Internet!

Cyberbullying (electronic aggression)

– through the use of violence:

harassment, intimidation,

ridicule other people

from using the Internet.

Let us not create violence on the Internet
