Jo penso que Internet és segur, però tot depèn del correcte ús que nosaltres fem, hem de tenir cura del  
que posem, de les dades personals, de les fotografies per tal d'augmentar la seguretat. Per tal d'evitar que  
hi hagi virus o spam, els navegadors que utilitzem, necessitarien antivirus propis. 10. Els meus pares no  
fan res, perquè sóc responsable, i sé el que faig quan navego per Internet. Encara que si hagués algun  
problema el meu pare m'ajudaria.  
Saber educar a los hijos de una forma que sepa diferenciar entre lo bueno y lo malo ,y enseñarles las  
consecuencias de sus actos.  
Saber lo que haces en internet.  
No donar mai les teves adreces personals (nom, cognom, adreça...)  
TO know what to do  
Utilizar las redes sociales con más seguridad .  
Vigilar els llocs que es visiten  
Ser suaj con flow hd activado del chill  
Pues vigilar a los niños y hablar sobre el cyberbullying  
No tinc res a afegir  
Utilizarlo poco y bien  
Auriem de controlar més  
No parlar amb desconeguts, sobre informació personal  
No poner muchos datos  
Controlar més a las personas que lo utilizan.  
Tenir en compte amb el que fem o publiquem perquè podem causar problemes  
Mairament tancar xarxes socials  
Pues no hacer nada de eso que no deba hacer  
No donar molta informació personal tener responsabilidad  
Si ves que alguien te molesta bloquealo y habla sobre ello.
