Lesson outline:

Warm-up: (5 min.)

Presentation: (10 min.)

Practice: (15 min.)

Production: (10 min.)

Warm-up:

Teacher asks questions how often they use social media and what they think about harmful effects of the social media.

Presentation:

There is a video related to cyberbullying. Before watching video, the teacher asks some questions about cyberbullying. For example; What is the meaning of cyberbullying? Do you have friends in social Networks such as facebook or instagram?

The teacher encourages the students to talk about this topic. Then, students watch the video and students share their ideas about the video and they talk how they are affected from the video.

Practice:

Activity 1 ; Teacher shows a series of posters for the students to reinforce how students can make effective decisions when responding to cyberbullying. These posters help the students to understand that can make a difference when they witness cyberbully.

Activity 2; Teacher gives a paper to each students and ask them to write a good advices and tips for dealing with cyberbullying.

Production:

Teacher asks the students to the role play on the board and ask them some questions for them. Assume that you are cyberbullying;

- What would you feel?
- What would you do resolve this issue?
- Who would you confide in?

Students role the play depends on their imagination.

Homework:

Teacher asks students whether they have friends or relatives exposuring in cyberbullying and write a shot story about these people.
